Emily Patricia Peltz , 71 passed away unexpectedly on October 10th, 2021 in St. Luke's Hospital Monroe Campus in Stroudsburg, Pa.

She is survived by her ever loving husband David Peltz. They were married for almost 37 years and together for 40 and she will be forever missed. Emily was also the forever loving and proud mother of Jason A Renner and his wife Debra (Crain). Also surviving her are her grandchildren Jacob and Jessica Renner.

Emily was born on June 16th 1950 to Thomas R and Emily (Decker) O'Malley. Including her parents she is also preceded in death by siblings Tommy, Joan, John and Danny. She is survived by James, William, Mary, Peggy and Gloria.

Emily spent most of her life working with children. Also known as "Miss Emily" she worked at Radcliffe Learning Center for 25 years. Her specialty and love was working with 3 year olds. Emily also went back to school at the age of 60 in order to keep her credentials.

Preparing for retirement Emily and Dave purchased a home in the Poconos which quickly became her "quiet place" her "zen" and her "getaway." She loved sitting on the deck and enjoying the wildlife especially the daily visits by the deer and birds.

Some of Emily's favorite pastimes were going out to dinner, going to casinos and playing lottery tickets. She enjoyed spending time with her family in the Poconos. She also enjoyed her visits to Ocean City, New Jersey.

Emily's favorite times of the year were around the holidays. St. Patrick's Day, Easter, Thanksgiving and Christmas dinners were special events for her. She loved making sure everyone was well fed. Decorating the house and making Christmas cookies with her grandchildren always put more than one smile on her face.

She will forever be her family's angel and will be greatly missed by all who knew her.

Due to family circumstances a Celebration of Life will be planned sometime in 2022.
