“ I'm Eric's neighbor. He was very nice to our family. When he first moved in, he donated money to my daughters Lemonade stand. We always talked on weekends in the yard when he brought Athenia out. Peace to the family and peace to Eric.

“ Dear Tranter Family,

Deepest sympathy for you and your family for your loss, I will never forget the boy on video I saw singing Eurhythmics like Annie Lennox, and their song Sweet Dreams are made of this. In 1983, I think that was the song, in the house off of East Paul, I hope he did not suffer, may he find the rest in eternal glory, as the free spirit he was.

Love,

Peter
