“

Pat and Family,

My deepest sympathy at the loss of Jack. I am so so sorry I just found out that this happened or I would have been there for the services. Jack was a true gentleman. He was my friend. He helped me so very much when I was at Harriman. I will never forget his kindness and his willingness to help me with anything I asked him to do . He also gave the best hugs.

His love for you Pat, and his children and grandchildren was so evident when he talked about all of you with such pride.

Again I am so very very sorry. He will be missed .

You are all in my thoughts and prayers at this very sad time.

In love and friendship

Dear Pat and family,

I have fond memories of living next door to you and putting a gate between our yards because you and Ray and the children were the best neighbors ever! I am so sorry I couldn't be there to express my condolences in person; I was away visiting family in Florida.

Ray was a kind and gentle soul. He was always there when something need fixing, knew how to do everything and had every tool imaginable. My heart is heavy, and I want you all know that I am truly sorry for your loss. God bless.

With deepest sympathy,

It was always so nice to see your car at Bill's. You had a special bond and love for all your children and Grandchildren. A smile on your face and words of wisdom and always there to help. We will miss you. Rest with the Angels.
