“ Dear Nancy, Cindy, Patty and Mike, I'm so sorry to hear about the passing of your mother. Your parents were so good to me. They treated me as one of the family. I am so glad that I had the chance to visit them back in '97 at their home to tell them in person how much I appreciated all that they did for me. Being with your family showed me what a normal family life was. The vacations to Assateague Island and the picnics to Bowman's tower are times I will never forget. Just the way your family had dinner around the table impressed me as a child. Your family was truly a loving family. I'm so grateful to have known you for all those years.

With Sincere Sympathy,

MaryJane Chapin

“ My heartfelt condolences to Nancy, Cindy, Patty, and Michael and the rest of your family. Your Mom volunteered at Oliver Heckman Library for many years and even after you progressed to middle, high school and college. She was someone who could always be counted on in showing up and doing an excellent job at whatever needed to be done. Joyce always brightened up my day and I looked forward to having her each week. She even visited me after moving to Neshaminy Middle. She always spoke of her children with so much love along with pride of your accomplishments! We lost contact over the past few years but I'll always remember her with great fondness! May her memory fill your hearts with love and happiness! Sincerely, Kathleen Yaeger (retired Neshaminy Librarian)

“ Mrs. Yaeger, Thank you for sharing your memories of Mom with us. She enjoyed and looked forward to her volunteering in Heckman's library with you. She had a love of reading, books and libraries. I think she was a librarian at heart. She was an avid reader all her life. Something that Patty and I shared with her.

One of our memories of Heckman include the unique shaped library with the nice and friendly librarian.

Thank you again for your kind words,
Nancy, Cindy, Patty and Mike Nickerson

“ Nancy, Cindy, Patty, and Mike-I will always remember your Mom's house as extra fun and full of great toys and lots of good times. Do you think they serve more than "just" breakfast, lunch, and dinner in Heaven? Fondly and with my sympathy, Laurie Conan

“ Nancy, Cindy, Patty and Mike, I am sorry to hear that your Mom has passed away. I have just been thinking about some fond memories from so many years ago -- camping trips, summer pool parties and the pig roasts. I am glad to have shared these times with your family. Hope you all are well. In sympathy, Barbara (Wills) Dyroff.

“ I am so sorry for your loss. Some of my fondest as a child were going to your house. Aunt Joyce was my favorite Aunt. I'm sure she is dancing in the sky. Praying for everyone's comfort during this tough time.
