“ I was Pat's fitness instructor at LAFitness. She was a bright spot in my Monday morning class for many years. She was kind, compassionate and enthusiastic. I depended on her to keep my counts straight :)! I will miss her very much and cannot express appropriately my sincerest condolences. More than just exercise, we shared our losses and our hopes. Truly the world is lessened without her. Sincerely, Leslie Paoletti

“ Pat, my sister Debbie Wandling and I vacationed together at Virginia Beach. Pat's love of exercise didn't stop her from swimming (in the pool) and walking on the boardwalk in the rain as a hurricane was coming up the coast. We were soaked from the rain, but had our exercise in for that afternoon, as well as, an ice cream cone. Pat was a kind, fun person. Pam Girvin

“ I was truly shocked and sad to hear/read about Pat. She was always upbeat, positive, and wanting to help the students at PHS. Although she was only a sub, she truly strived to be a full time teacher and brought that into every class she had to cover. Chemistry/science was her passion though so Pat, I truly hope that you have a chance to share your passion for all above with all that you have to offer. Sending love, prayers and hugs to you, your family, and your friends

“ I had the pleasure of meeting Pat when she would sub at Pennsbury High School. She was always smiling and upbeat no matter what the day. I feel so blessed to have been able to meet such an amazing person as Pat. The world has lost an angel in Earth, but heaven sure gained an amazing angel. Rest In Peace, Pat. You will be missed!!

“ In shock and saddened to hear of the passing of Pat. She was one of the nicest people I've ever had the pleasure to work with at the catering hall. Always had a positive outlook on life and when she talked about her family you could feel the love she had for them. Pat loved teaching and she tutored all 3 of my kids up thru graduation. I will be forever grateful to her helping and explaining some of those assignments and making it look easy and understandable to them. She was truly one of a kind. My thoughts and prayers are with her family during this difficult time. Heaven gained a special angel.

“ It is with great sadness I write this post. The world has lost such a caring and loving soul.
I have so many wonderful memories of my dear friend Pat. We met as teachers at Nottingham H.S. and quickly realized how much we had in common. We shared the love of exercise and spent countless times riding our bikes on the Delaware Canal Towpath up to Lambertville for lunch. During these rides we were able to share our life stories and support each other as we both watched our daughter's struggle in life. She was my confidant and we never hesitated in our discussions as we both knew our secrets were safe with each other. I missed her daily presence upon her retirement, but our friendship continued. I remember how happy she was to have more time to spend with her beloved husband, Jack. Pat was the most caring loving person. She never forgot my birthday or my husband's or our Anniversary. The last card she sent to us was to celebrate our 40th Anniversary and it is still displayed on my desk. Every year we received a card and message from her on our special days. She made you feel special and loved and part of her world as I am sure she did for all of her friends. Our bike rides continued as did our mall walks/talks and phone calls throughout her retirement and mine. I will always treasure the time I shared with Pat and her friendship. My last memory of Pat is our hug outside Oxford Valley Mall two weeks ago with the promise to meet in late July before our vacations. I will hold that hug close to my heart until we meet again. I will always treasure her friendship and I am sure her countless friends feel the same. Hugs to her family and loved ones at this very difficult time.

“ I did not believe when I heard the news. The only thing bigger than Ms. Harmon's personality was her heart. She was an amazing teacher to me at Nottingham many years ago, and I have always remembered her sense of humor and sincerity. She will be dearly missed.

“ This is such tragic and sad news. Being a good friend, a neighbor, and being Pat's Key Largo traveling companion, I am truly going to miss her. There is an emptiness in my heart today. Pat truly was one of the most positive persons I have ever known. My love and prayers go out to all of Pat's loved ones.

“ I'm saddened to hear about Pat. We first met when she was the Future Business Leaders of America advisor at Nottingham and I was the state advisor. Years later, her late daughter Lisa was my secretary at the Department of Education. Rest in Peace.
